

2009 Stroke Clinic

WSY Competitive Stroke Clinic

7-13 years (5 weeks)

Our highly successful WSY Stroke Clinic is structured for children between the ages of 7-13 years of age. We have two (2) sessions available, including a Monday/Wednesday session and a Tuesday/Thursday session. We ask that participants indicate which session they will attend most of the clinic, however you are free to switch days if you have conflicts with other activities. Concentration for all clinics will be on stroke drills, proper stroke technique, correct practice habits, and consistency. **All participants in our WSY Stroke Clinic will receive a custom Speedo Clinic T-Shirt**
