

Invitation to the Annual WSY Valentine 9 & Under Meet

Sunday, February 11, 2007
at the Cumberland Valley High School Natatorium
Mechanicsburg, PA

Purpose: To provide 9 & under swimmers an opportunity to see their progress prior to the championship meets in March.

Facilities: The new Cumberland Valley High School Natatorium has an eight (8) lane 40 meter pool divided by a bulkhead at 25 yards with warm-up/warm-down area opposite competition pool. A fully automatic Colorado 5 timing system with display board will be used. We will be using Hy-Tek meet management software. Adequate deck space is available for all swimmers, and we will be using a LARGE gymnasium for swimmers when they are not competing. We have secured the large gymnasium for this meet, as in the past the gym we were using was too small. We will be running a video feed to the lobby where we will have our concession area, as well as a separate audio feed to the gym for the swimmers. Spectator seating is available in gallery area above pool. Photos of the pool may be found on our web site.

Entries: This meet is open to all swimmers that are registered members with the clubs/YMCA's invited. Each swimmer may swim a maximum of four (4) individual events. The swimmers age will be determined as of December 1, 2006. All entries should be submitted on disk using the **Hy-Tek Team Manager software**. The file containing the events for this meet may be downloaded from our web site www.wsyswim.org. If you do not have access to the Hy-Tek software, please use the attached entry forms. Be sure to indicate if your entry times are in yards (Y) or meters (M). Entries, for which a swimmer has no time, must be entered with a NT in the space provided for the entry time. The number of entries for this meet will be limited to **300 athletes!!!** Entries may be faxed or e-mailed, however hard copy and payment must follow within three (3) days.

Closing Date: Entries must be received no later than **Thursday, February 1, 2007**. When your original entry is received, you may update times with any performances done on 2/3-4/07. Entries will be taken on a first come-first serve basis until we reach 300 athletes.
