What is your favorite swimming memory?

- My favorite swimming memory is being a freshman on my high school swim team and helping them defeat our arch rival Dallastown, winning the YAIAA County Title, ending Dallastown's streak of 14 straight years as county champions. In fact it came down to the last relay, and I was the anchor the winner of the 400 free relay would win the meet, and both our 3rd swimmer and their 3rd swimmer were even heading into the wall. But I was able to pull out my best time and victory.
