A high level of commitment and attendance is required in order to participate in this group. Swimmers participating in this practice group **must have at least YMCA Short Course National qualifying times, and be willing to make an attendance commitment**. *All group placement decisions are made by the coaching staff and are in the best interest of the swimmer and their **long-term development**. Many group promotions are done with consideration of the athletes past history of times and work ethic, not what is promised in the future. Each athlete is different and has different physical needs.
